❄️ CRISIS MANAGEMENT:
Train your **decision-making** and **problem-solving** capabilities with simulated high-stakes scenarios.

❄️ RESILIENCE AND ENDURANCE:
Build **mental** and **physical** tenacity, essential for leadership excellence in the corporate arena.

Testimonials:

"Reflecting on our experiences as a group in CSL 2024, I can honestly say, "It was worth the wait." The challenges we faced and conquered over those four days became not just memories but invaluable lessons that profoundly shaped both my personal and professional growth."

– **FAISAL MUQEET**
Chief Financial Officer
Public Private Partnerships Support Facility

"Participating in CSL, was a transformative journey. The challenges of navigating deep snow, enduring falling snow, and physical exhaustion pushed me beyond my comfort zone. This expedition wasn't just about scaling mountains, it was about discovering new heights within myself."

– **TALAL KHALID**
Chief Operating Officer
HR POD

Lead Trainers:

TRANSFORMING PASSION INTO IMPACT

ABDUL SAMAD KHAN

Abdul Samad Khan is an Internationally recognized and experienced Leadership Trainer, having trained youth & corporate leaders in Australia, UK, USA, Turkey, Pakistan, Qatar, Saudi Arabia, Sri Lanka, Malaysia & Tanzania.

As founder & CEO of Youth Impact, an award winning not for profit, having trained 30,000+ youth across five continents on earth. ASK, a cancer survivor, who has dedicated his second life to empower leaders across the globe, has introduced 'Markhor', Himalaya's unique wilderness- based youth leadership conference held annually since 2013.

ASK is Pakistan's only graduate from world class National Outdoor Leadership School (NOLS), USA & has fellowships at Stanford University, International Visitors Leadership Program, South East Asia Leadership Academy, Executive Endeavor Award Australia.

A published author, founded leadership development organizations in Pakistan & Saudi Arabia, has leadership development experience of more than 20 years.

ASK is specialized in wilderness & adventure-based leadership development programs. He has facilitated leadership development at Higher Education Commission, International Federation for Red Cross, AlSharq Turkey, Toyota, Pepsi, Nestle, Telenor, Pakistan Institute of Parliamentary Services, Akhuwat Foundation, Alkhidmat Foundation, US Embassy Islamabad, Global Immersion Australia, Wilderness Malaysia, World Challenge UK & many more.

ADEEL AZHAR

Adeel Azhar is a passionate advocate of outdoor leadership, human development, and thought leadership. As the Lead Facilitator at Leadership Adventures, he brings a unique blend of corporate expertise, media experience, and a deep love for the outdoors to inspire and challenge individuals in transformative learning experiences.

With over two decades of professional experience spanning banking, logistics, and electronic media, Adeel has led key business initiatives and high-impact projects.

An IBA graduate, he specialized in Consumer Banking, launching and managing top-tier products in Credit Cards, Auto Loans, and Mortgages. Until recently, he headed a critical business unit at TCS Pvt. Ltd., Pakistan's largest express logistics company.

Beyond the corporate world, Adeel has been a prominent voice in electronic media, hosting a highly successful morning radio show for over two decades and engaging in sports television hosting. His expertise extends to strategic planning, goal setting for businesses, and coaching individuals in public speaking.

At Leadership Adventures, Adeel combines his diverse experiences with his passion for the outdoors, guiding individuals and teams through powerful, adventure-based leadership experiences that drive growth, resilience, and purposeful action.

About Leadership Adventures:

Leadership Adventures is a for-purpose training outfit transforming corporate leadership through **Experiential Learning in the wild**. Born from a passion for the outdoors and a mission to develop leaders through adventure, we craft tailored experiences that challenge, inspire, and build resilience. Founded by seasoned professionals in corporate and leadership development, we blend the essence of leadership with the thrill of the unknown—preparing leaders to navigate today's business wilderness with clarity and purpose.

Mission:

Transforming Leadership through the power of Adventure.
